Which division will my child participate in during basketball season?

The league age is determined as of September 1, 2024. So, if your child is 8 years old on September 1, 2024, and turns 9 on December 15, 2024, they will play in the 6–8-year-old division.

Are teams coed?

Most teams are coed. We have a girls-only division for ages 9-12. However, a child may only participate in one division. Therefore, a 10-year-old girl must pick to play in the girls-only division (9-12) or play in the coed division (9-10).

How are teams selected?

- **Coed 6-8 division:** Players will be placed on a team after registration.
- **Coed 9-10 division:** Through evaluation process. *
- **Coed 11-13 division:** Through evaluation process. *
- **Coed 14-18:** Through evaluation process. *
- **Girls 9-12:** Through evaluation process. *

**If your child played in the same division last year, they will be placed on the same team without going through the evaluation process.*

What if I want my child to play on a different team this season?

If your child played in the same division last season, but you would like them to be on a different team this year, please speak with league staff to make arrangements for your child to attend the evaluation. A request for change cannot be fulfilled after the evaluation deadline. League staff: (803)321-1015 option #1.
