

Support Your Poll Workers & Newberry Precincts on Election Day

State and county election officials work hard all year to ensure that elections are secure and run smoothly, but we can't do it alone. Poll managers play an important role in conducting fair and impartial elections.

ELECTION DAY FOR POLL WORKERS BEGINS AN HOUR EARLIER THAN THE POLLS OPEN AT 7:00AM; AND CLOSE AFTER THE LAST VOTER VOTES AT 7:00PM.

BUT THE DAY DOESN'T BEGIN OR END ON THE ELECTION DAY:

Poll Workers must attend training prior to each Election.

Clerks are responsible for picking up administrative supplies from Election Central, 1872 Wilson Road, Newberry, SC 29108 prior to and delivering back from their assigned Precinct.

Your Poll Workers are assisting the Election Process 12-14 hours each Election Day; sometimes without more than a few breaks and grabbing a quick bite to eat.

Here's where NEWBERRY COUNTY CAN STEP IN TO SUPPORT YOUR POLL WORKERS, PRECINCTS, AND VOTE-NBY:

Newberry County has 30 Precincts supported by 3-5 Poll Workers at each Polling Place based on the number of active Voters in the Election.

Please consider sponsoring one or more of your Newberry County Voting Precincts and your Poll Workers by providing your distinctive specialty plus advertising for an important day when Newberry County Voters VOTE-NBY.
