#### **3.3.1. SPECIAL CONDITIONS**

By submitting a response, Suppliers certify that their proposals are made without collusion or fraud and they have not offered or received any inducements in connection with their proposals. They further agree that this solicitation and any resulting contract shall be governed in all respects by the laws of the State of South Carolina and they shall comply with applicable federal, state and local laws and regulations. Any contracts or leases resulting from the award of a Bid are to be for a period of not more than one year, with four renewal options for a total period not to exceed five years. Any exceptions to this policy must be noted and agreed to by both parties in writing, prior to the issuance of the Notice of Award. Pricing must remain firm for the duration of the initial term of the resulting contract; failure to hold firm pricing for the initial contract will be considered as sufficient cause for termination. Proposal submissions must remain valid for a minimum period of ninety (90) days after the submission due date unless otherwise stipulated.

The County reserves the right to reduce or increase the scope of the project if the lowest responsible and responsive supplier's submittal is not in line with the budgeted amount for the project. The County, at its sole discretion, reserves the right to increase or decrease the scope of work to facilitate an award. This scope reduction will be enacted only if it is in the best interest of the County and constitutes no guarantee of scope.

The County also reserves the right to add to the contract any future work or purchased goods, with the agreement of

the supplier, at prices offered in this bid document. This option will be enacted during the contract or within six months subsequent to the end of the contract, if in the best interest of the County and with the agreement of both parties.

### 3.3.2. RESPONSES

In responding to a bid, ALL item numbers with appropriate formatting must show some type of acknowledgment in order for the response to be properly evaluated. Failure to respond to all specification criteria items may be deemed as sufficient reason to reject a submission. If formatting is not provided for a response at the item level, any non-compliance must be clearly marked, detailed and included with the bid response. Any items not identified shall be deemed as in compliance. Suppliers must: 1) complete any/all required forms; 2) indicate agreement or disagreement on each mandatory requirement and, if requested, provide additional information on how the specifications will be exceeded or not met; and 3) provide complete and detailed responses to any and all non-mandatory requirement that can be fulfilled.

- The prices for all responsive and responsible submittals exceed budget;
- No single responsive and responsible submittal meets all requirements;
- When all responses are unclear or deficient in one of more areas;
- When the grading scores of two or more submittals require additional evaluation;
- At the discretion of the evaluation team to clarify submittals or to negotiate costs or other deliverables.

**P. O. Box 156, Newberry SC, 29108**

### **3.3.5. ALTERNATE BID DOCUMENTS**

Documents prepared by the County which have been supplied for your use must be used for the submission of Response where provided. The use of alternate forms that deviate from those supplied (See Section 1.4 of this RFP) may disqualify the Response from consideration. If a form is not provided, the Proposer may produce their own document with the required/requested Proposal Response information.

### **3.3.6. ADDITIONAL INFORMATION/ADDENDA**

The County will issue responses to inquiries and any other corrections or amendments it deems necessary in written addenda issued prior to the submission deadline. Suppliers should not rely on any representations, statements, or explanations other than those made in this Request for Proposals (RFP) and its' addendums. Where there appears to be a conflict between the RFP and any addenda issued, the last addendum issued will prevail. It is the Supplier's responsibility to check for addendums (under Solicitations) on the County's website.

***Suppliers must acknowledge any issued addenda. Responses which fail to acknowledge the supplier's receipt of any addendum will result in the rejection of the response if the addendum contains information which substantively changes the County's requirements.***

### **3.3.7. PROPOSAL PRICING, ERRORS AND OMISSIONS**

3.3.7.1. In the event there is a discrepancy between a unit price submitted and the extended price, the unit price will prevail.

### **3.3.9. LATE SUBMITTAL, LATE MODIFICATIONS & LATE WITHDRAWALS**

Submittals received after the opening date and time will not be accepted. Modifications received after the opening date will not be considered. The County assumes no responsibility for the premature opening of a submittal not properly addressed and identified or not delivered to the proper designation.

### **3.3.10. MINIMUM PROPOSAL ACCEPTANCE PERIOD**

Proposals shall be valid and may not be withdrawn for a minimum period of 90 days from the date specified for receipt of submittals. Suppliers will be asked for an 'expiration date' for the response, when appropriate. This does not impact the contract price once a proposal has been awarded.

### **3.3.11. DISQUALIFICATION OF BIDS OR SUPPLIERS**

Suppliers may be disqualified from participation in the solicitation process for reasons which include, but are not limited to the following:

3.3.11.1. Evidence of collusion;

3.3.11.2. Attempting to manipulate the submittal pricing for its' own benefit (i.e. pricing resulting in a failure of the County's ability to enforce the Contract or impose the remedies intended following breach by Supplier);

3.3.11.3. Being in arrears on any of its existing contracts with the County or in litigation with the County or having defaulted on a previous contract with the County;

3.3.11.4. Being in arrears on taxes owed to the State of South Carolina;

3.3.11.5. Poor, defective or otherwise unsatisfactory performance of work for the County or any other party on prior projects which, in the County's judgment and sole discretion raises doubts as to Supplier's ability to properly perform the work;

3.3.11.6. Any offering of gifts, unauthorized compensation or other unethical actions to County employees with respect to interest in any business activity;

- 3.3.11.7. Any false statement or misrepresentation in any portion of the Proposal Packet, including but not limited to, misrepresentations regarding prior or current lawsuits or OSHA violations; or

### **3.3.12. REJECTION/CANCELATION/AWARD OF PROPOSALS**

The County reserves the right to:

- a) reject any and all submittals received outside the time/place stated in the notice;

- c) waive any minor technicalities of form, or formalities of the responses without prejudice to other responses;
- d) reject any or all proposals or any part thereof;
- e) obtain clarification on any point in a respondent submittal or obtain additional information;
- f) accept the proposal that receives the best evaluation from the Evaluation Committee based on the evaluation criteria set forth within this RFP, regardless of whether or not it is the lowest proposed cost;
- g) award the proposals received on the basis of individual items or on the entire list of items.

The County also reserves the right to cancel this solicitation at any time and will not be liable for any cost/losses incurred by the Supplier throughout this process.

Where applicable, the County reserves the right to make multiple awards or to award a contract by individual line items or alternatives, by group of line items or alternatives, or to make an aggregate award, whichever is deemed most advantageous to the County. If the County determines that an aggregate award to one supplier is not in the County's best interest, "all or none" offers will be rejected.

### **3.3.13. COST INCURRED BY SUPPLIERS**

All expenses involved with the preparation and submission of the response to the County, or any work performed in connection therewith, is the responsibility of the supplier(s).

The proposal details and related documents will not be publicly announced or reviewed at the opening; they will be turned over to an evaluation committee. No awards will be made or implied at this time. The Status field on the County's website will be updated following any change in the proposal process. Refer to section 2.1 for details regarding this Status. **Any proposal-specific exceptions to the 'non-public opening' will be noted in the Schedule (section 1.2).**

### **3.3.15. AWARD AND RESULTING CONTRACT**

Award will be made to the Supplier whose response/proposal is the best evaluated by the Evaluation Committee and which is in compliance with terms of this bid request. The quality of the articles to be supplied, their conformity with the specifications, their suitability to the requirements of the County, the delivery terms and other criteria, as well as price, will be taken into consideration in making the award.

Any resulting contract shall not be binding upon the County, nor should any action be started until it has been executed by both parties and a copy of the fully executed contract has been delivered to the successful Supplier. Specifications noted in this RFP request shall be incorporated into the resulting contract. The County reserves the option to prepare and negotiate its own contract, giving due consideration to the stipulations of the supplier's proposed contract and associated legal documents.

## **3.4. INSPECTION AND ACCEPTANCE OF EQUIPMENT (FOR PURCHASE, WERE APPLICABLE)**

Where applicable, all items bid and furnished that are to be purchased must be completely new, free from defects and operate as intended unless otherwise specified in writing. Discontinued, remanufactured or demonstrator items will not be accepted unless specifically requested. The manufacturer's standard warranty shall be identified and copies of the warranties are to be presented upon request. In addition, all items supplied shall comply with all Federal and State regulations, applicable and effective on the date of acceptance. All items must meet or exceed all existing Federal, State and Local health, safety, lighting, emissions and noise standards.

The County reserves the right to inspect and test any equipment being offered in the bid prior to making any award. The County may also request a demonstration or site visit for evaluation purposes. The equipment delivered under this bid shall remain the property of the seller until a physical inspection of the equipment is made and accepted by the County. In the event that the equipment supplied to the County is found to be defective or does not conform to the

County's specifications, the County reserves the right to cancel the order upon written notice to the seller and to return the equipment to the seller at the seller's expense.

### **3.5. STATEMENT OF EXPERIENCE AND QUALIFICATIONS**

The supplier may be required, upon request, to prove to the satisfaction of the County that he/she has the skill and experience and the necessary facilities and ample financial resources to perform the contract(s) in a satisfactory manner and within the required time. If the available evidence of competency of any supplier is not satisfactory, the response of such supplier may be rejected. The County reserves the right to request clarifications of any response or to conduct discussions for the purpose of clarification. Any clarifications made as a result of these discussions are to be provided in writing.

### **3.6. NON-COLLUSION AFFIDAVIT**

By submitting the notarized signature in the response, the Supplier represents and warrants that such response is genuine and real and not made in the interest or on behalf of any person not therein named. It is further warranted that the Supplier has not directly or indirectly solicited any other Supplier to put in a sham submittal, or any potential Supplier to refrain from submitting and that the Supplier has not in any manner sought by collusion to secure any advantage over any other Supplier. By submitting a response, the Supplier represents and warrants that no official or employee of County has, in any manner, an interest directly or indirectly in the RFP or in the contract which may be made under it, or in any expected profits to arise therefrom. It is further warranted that the Supplier is independent of the County.

### **3.7. HOLD HARMLESS AND INDEMNIFICATION**

When Bid bonds are required, they must be in a sum equal to five percent (5%) of the total amount of the supplier's response and may be in the form of a surety issued bond or cashier's check made payable to the County of Griffin. Bid bonds are returned to the unsuccessful suppliers when the Notice of Award has been issued or contract has been executed. When bonding is required, failure to submit appropriate bonding will result in automatic rejection of bid. Performance and/or Payment bonds must be presented within ten (10) days of the Notice of Intent to Award or prior to the award of contract, whichever is later. Surety companies executing bonds must appear on the Treasury Department's most current publication (Circular 570 as amended) and be authorized to do business in Georgia. - 4.1.1.** The non-performing party gives the other party prompt written notice within three (3) business days describing the particulars of the Force Majeure including, but not limited to, the nature of the occurrence and its expected duration, and continues to furnish timely reports with respect thereto during the period of the Force Majeure;

- 4.1.2.** The excuse of performance is of no greater scope and of no longer duration than is required by the Force Majeure;
- 4.1.3.** No obligations of either party that arose before the Force Majeure causing the excuse of performance are excused as a result of the Force Majeure;
- 4.1.4.** The non-performing party uses its best efforts to remedy its inability to perform. Economic hardship of the Provider will not constitute Force Majeure. The term of the Provider shall be extended by a period equal to that during which either party's performance is suspended under this Section.

The provisions of this section shall not preclude the County from canceling or terminating any resulting award (or any order for any goods or services included herein), or from revising the scope of the Work, as otherwise permitted under this RFP.

## **4.2. SUPPLIER'S INVOICE**

**4.2.1.** The Supplier shall prepare and submit invoices to the attention of the Purchasing Director at: County of Newberry, Attn: Crystal Waldrop, PO Box 156, Newberry SC 29108. A proper invoice must include the items listed below:

## **4.3. PAYMENT**

Payment will be made for items accepted by the County; standard terms are net 30 days.

## **4.4. ESTIMATED QUANTITIES**

The quantities of items specified in the Bid Schedule are estimates only and are not purchased by this contract. If the County's requirements do not result in orders in the quantities described as "estimated", that fact shall not constitute the basis for an equitable price adjustment. Delivery shall be made only as authorized by orders issued in accordance with the Ordering clause. Subject to any limitations in the Order clause or elsewhere in this contract, the Supplier shall furnish to the County all items specified in the Bid Schedule and called for by orders issued in accordance with the Ordering clause.

## **4.5. ASSIGNMENT OR NOVATION OF CONTRACT**

The Supplier shall not assign or transfer, whether by Assignment or Novation, any of its rights, duties, benefits, obligations, liabilities, or responsibilities under the Contract without the written consent of the County; provided, however, that assignments to banks, trust companies or other financial institutions for the purpose of securing a bond may be made without the consent of the County.

#### **4.6. TERMINATION FOR CAUSE**

The Supplier will not be relieved of any outstanding responsibilities or unfinished obligations under this contract. Receipt of items by the delivery date is critical to the terms of this contract. The County considers late delivery of contract items as reasonable cause to terminate the contract.

Prior to termination, a Cure Notice will be issued by the County. The Notice will identify the problems and deadlines that need to be met to remedy the problems to avoid termination for default. If the Supplier does not respond with an acceptable action plan to remedy the default or commence to remedy the default within a period of five (5) business days (or such longer period as the County may authorize in writing) after the issuance of notice, the County may issue termination for cause.

The County retains all other legal or equitable rights or remedies existing as a result of said default, including, but not limited to, any legal process necessary to obtain any sureties securing this contract.

#### **4.7. TERMINATION FOR CONVENIENCE**

The County reserves the right to terminate the resulting contract, in whole or in part, in the event the County determines that such termination is in the best interest of the County. Any such termination shall be affected by the delivery of a notice specifying the extent to which performance of work under the contract is termination and the date upon which the termination becomes effective. Upon receipt of notice, the contractor shall immediately discontinue all services affected, unless the notice directs otherwise. The County will make payment of deliverables satisfactorily executed according to industry standards or proven loss with respect to materials, etc., but no amount shall be allowed for anticipated profit or unperformed service.

#### **4.8. TERMINATION FOR FUND APPROPRIATION**

The County may unilaterally terminate this Agreement due to a lack of funding at any time by written notice to the Supplier. In the event of the County's termination of the resulting contract for fund appropriation, the Supplier will be paid for those services actually performed. Partially completed performance of the Agreement will be compensated based upon a signed statement of completion to be submitted by the Service Provider which shall itemize each element of performance

#### **4.9. CHANGES**

All work and materials furnished for this project shall be made in conformance with the contract documents. Changes in the scope of work or the terms and conditions of this contract may be made only by written agreement of the parties. Changes that involve an alteration to the payment amounts shall not commence until approved by the County and a Change Order has been issued.

#### **4.10. REPORTING DISPUTES**

The Supplier shall report any contract disputes and/or problems to the Purchasing Director, both verbally and in writing within 48 hours of their occurrence.

### **5. SECTION V –INSURANCE REQUIREMENTS**

Sections II - VII review the general terms and conditions. **Any proposal-specific information noted in Section I or in the Specifications & Response Section will take precedence.**

Prior to commencing work, the Supplier shall procure and maintain at their own cost and expense for the duration of the agreement the following insurance against claims for injuries to person or damages to property which may arise from or in connection with the performance of the work or services hereunder by the Supplier, his agents, representatives, employees or Subcontractors. ## SUPPLIER'S RFP/ITB CHECKLIST

- \_\_\_1 **Read the *entire* document**, paying close attention to critical items such as: supplies/services required; submittal dates; number of copies required for submittal; contract requirements (e.g. bonding and insurance requirements); etc. Note that all RFP specific information noted in Section I or in a special Specification section, if there is one, take precedence over the general terms and conditions listed in Section II.
- \_\_\_2 **Note the Procurement Agent's name and e-mail address.** With the exception of written technical questions sent to the project manager, the Procurement agent is the only person you are allowed to communicate with regarding the RFP/ITB from inception until after award.
- \_\_\_3 **Attend the pre-proposal conference** if one is offered. These conferences provide a valuable opportunity to ask clarifying questions, obtain a better understanding of the project, or to notify the County of any ambiguities, inconsistencies, or errors in the RFP/ITB. Pre-RFP conferences are not usually mandatory, but are a source of important information and attendance at them (as well as any other RFP-related meetings) are considered part of the evaluation criteria.
- \_\_\_4 **Take advantage of the 'question / answer' period.** Submit your questions to the Director of Purchasing. Even though you may get a direct response for questions you have asked, a formal addendum will be issued to address any substantive questions so all suppliers will have access to the additional pertinent information.
- \_\_\_5 **Follow the format required in the RFP/ITB** when answering questions and item details. Provide point-by-point responses to all sections in a clear, concise manner and in the order, they were requested.
- \_\_\_6 **Provide complete answers/descriptions.** Read and answer **all** questions and requirements. Make sure all items have a response, even if it is a 'n/a'. Don't assume the County or evaluation committee will know what your company capabilities are or what items/services you can provide, even if you have previously contracted with the County. Proposal submissions are evaluated based solely on the information and materials provided in your response.
- \_\_\_7 **Use the forms provided**, e.g. cover page, cost proposal form, standard forms, registration, etc. Make sure to include all required forms (in the proper order) with your submission. You do not need to send a copy of the RFP itself with your response.
- \_\_\_8 **Supplier registration.** Supplier registration includes both information needed by the County and affidavits/information required by the State of Georgia. The County cannot award an RFP to a supplier with incomplete registration. Registration is now done online and you can check to see if your profile is compliant (has both EV affidavit and W9) by logging in with your user-id and password. Even if you are not providing labor and do not need an E-Verify number, you will need to note the appropriate reason and sign.
- \_\_\_9 **Check the County website for RFP/ITB addenda.** All addenda issued for the RFP/ITB are posted on the County's website under the associated RFP posting. Do not assume that if you received an individual notification of the RFP, you will receive all addenda. Notifications are a courtesy effort and the County cannot guarantee that an email notification will reach all of the intended recipients. Before submitting your response, check the County's website to confirm if any addenda were issued for the RFP/ITB. If so, you must acknowledge each addendum on the Response document.
- \_\_\_10 **Review and read the RFP/ITB document again** to make sure that you have addressed all requirements. Once the RFP deadline has been met, you will be unable to make changes to your response. Your original response and the requested copies must be identical and complete. The copies are provided to the evaluation committee members and will be used to rank your response.
- \_\_\_11 **'Package' your response in the recommended order** of section 1.4. When response submittals are packaged in the same manner, evaluators are able to review them in a more timely, thorough and equitable manner.
- \_\_\_12 **Submit your response on time.** Note all the dates and times listed in the *Schedule of Events* and within the document, and be sure to submit all required items on time. Late submissions will not be accepted.

*This checklist is provided for assistance only and does not need to be submitted with the Supplier's Response.*
